DATA FILES

Data are available in STATA (8.0) format. Data and electronic documentation are available on the MXFLS website.

Data is contained in folders, one for each section in each community book. There are 5 books.

The modules names were assigned by using book initial prefix followed by the section denomination. For example, the section that corresponds to the cover of the School Book is denominated esc_portad.

The School Book has 11 sections and 21 modules. The modules are the following ones:

The logo for MXFLS (Michigan XFLS) is displayed in a large, light blue, stylized font. The letters are bold and interconnected, with a slight shadow effect. The 'M' and 'X' are particularly prominent, with the 'X' having a unique shape where the two vertical strokes are slightly offset. The 'F' and 'L' are also stylized, and the 'S' is a simple, rounded shape. The overall appearance is clean and modern.
